Introduction

Today will be different outcomes to all of us. Today is a fertile field for all of us. Do not be discouraged by the bad harvest from the seeds you planted yesterday that are evident in your field today and do not be too prideful and complacent about the good harvest you have today as a result of the good seeds you planted yesterday. Today is a game changer still. Today will be smooth while to others it will be very hard nonetheless it is a game changer.

Today is a battle. Today is a result. Today is an opportunity. Today is a challenge. Today is a question. Today is an answer. Today is a unity. Today is a separation. Today is a dream come true. Today is an unfolding nightmare. Today is a gain. Today is a loss. Today is an end. Today is a beginning. Today is a weakness. Today is a strength. Today is given by God Almighty for a purpose known to Him so delight yourself in Him whether with a cheerful glass of wine or a cup of water, be it with a grateful heart or a crushed spirit - He created it all. Even if your path comes to an end today while the path of others comes to a halt and the path of another continues greatly - God Almighty created it all for His own pleasure, purpose and glory. Today is done.

You are a very poor, miserable and unfulfilled person. To serve money requires you to sacrifice God Almighty and to serve God Almighty will require you to sacrifice money so whatever you choose requires sacrifice of the other.

Life has got to hit you where it hurts the most because that's where your potential to serve God Almighty unleashes itself.

Expel the fear of men and the excessive love of worldly things so that you can serve God Almighty well.

God's response to your situation or problem will mock and insult your knowledge, wisdom, status-quo and poor character because of its simplicity. Solutions, breakthroughs and answers from God Almighty will always require your humility.

You adjust to God Almighty and the world will adjust to you. You must be rooted and grounded in Him to actualize His dream for you.

I always got what I want but not in the time at which I wanted it. It was then I understood that God Almighty first hears my unhindered prayers then He responds at a time He sees me fit to handle the request I have made to Him. In every petition, He accesses my character before He responds.

MINDSET & ATTITUDE

Every single day we have the opportunity to select the kind of spirits that we will manifest in our lives for the given day.

You are just a thought away from either defeat or victory. When your perspective changes, your reality will change.

You and I must carefully classify everything we consume as it being off the Spirit or off the flesh then carefully decide what we will manifest.

From the moment you wake up daily, learn to make peace with your death.

Look forward to the gain of your current pain.

Knowledge does not equate to experience. A consultant is not an

expert. A consultant has
knowledge but an expert has both
knowledge and experience.

Cheer up a little and remember
that your dawn will break. It will
shine on you and for you.

Your greatest breakthroughs are right
within a positive change in the
condition of your heart.

When you lose, cry and keep calm.
When you win, celebrate and keep
calm. Whether you win or lose,
time never stops.

Your character is determined by the
level of truth you can take and
apply diligently.

What you are for automatically
presents what you are against.

Unless our faith walk be marked by
God's grace given to mankind in its

full mercy and love. We are no
different from unbelievers.

I have witnessed a man without limbs
do everything a man with limbs
feared to attempt and was too
lazy to attempt. Disability is not in

function but rather in the tuning
of one's life's perspective in line
with his Creator.

Decide carefully as to what or whom
you will give heed to in the midst
of your difficulties and failures.

Excellence of service and production
springs from a willingness to learn
and learning cannot be in the
absence of humility.

you became, learnt and earned.

In everything you do, remove envy,
jealousy, rage, hatred, bitterness
and entitlement - it will be then
that you will find fulfilment and
peaceful rest.

envy and resentment. You will
deprive yourself of eternity,
manipulate scriptures as you
mislead many.

No thought is orphaned, no action is
homeless, no habit is untraceable
and no character is unnoticeable.

Make it your habit to excuse yourself

pursue illogical perspectives of the
Creator. Most humans will
rate you “crazy”.

There are love duties and
responsibilities that come with the
abundances that you are
diligently praying for.

How can you be against what you want to build, achieve and overcome? Stop feeding your fears. Feed your qualities, your faith and any good desire.

You will become an enemy to your own good desire when you give into bad influences.

You will not attain anything
worthwhile by making love to your
distractions and destruction.

Saying “No” to yourself and “Yes” to
God Almighty is the optimum
attainment to self-mastery. Self-
mastery is submitting yourself to
God's Almighty's thoughts which
ultimately is His will for you for
that particular day.

Life God Almighty gives at a daily
dosage, figuring out the future is
the start of all anxiousness and
depriving yourself of the
simplicities of today.

Live, learn and love in the given day.

today. Today is unique. Be better.

and a nightmare come true. Make
the most of the lessons left along
your path.

Give off yourself cheerfully. Life is
God's and yours is playing your
part best.

When you spend all your life wanting
more, you however die wanting
but when you spend all your life
giving more, more will be given to
you. The secret is giving
unendingly.

Self-mastery is a key to purity in all
things. A lack of self-mastery is a
foothold for a disastrous life even
when graced by God Almighty.

The greatest advantage in life is being
young. Young people have a full
view of the kind of decisions they
want to make in the adults around
them. There are so many mistakes
and successes around them.
There's so much to learn and so
many decisions to make. Life for
young person is an open book
test.

back to the years you lived either
with joy or regret.

ability to be consistent to what
you commit yourself to.

your gift, in your talent, in your

life not just matches.

something and you can find a
thousand reasons not to do

does spending it increase your
chances of death.

walking. Don't let the slope kill
your hope.

found it otherwise you have
failed!

Live as if nothing on earth mattered
and live as if everything in and off
heaven mattered.

You are how you react and respond to
what happens to you.

You always have a winning edge in
everything only if you are willing
to find it.

The pursuit of anything
worthwhile is risky.

All the works of your life translate not
just to one person but to whoever
that person influences.

You owe it to yourself to do better
today than the good
you did yesterday.

Today is given. Tomorrow is
uncertain. Yesterday has been
sown. Make today count!

Wherever you now in life, see that
point as a start to get to where
you envision yourself to be. As
good or bad as it is - it's a start.

Age is just a number. It is what you do
with it that makes it count. Don't

gloat that you are old. Humbly
smile that you made a difference.

The challenges we face require godly
responses rather than a piece of
our minds. You are a selector of
what you manifest.

If you are not going to do it from your
deepest and most sincere
conviction of your heart then
don't do it at all. You either
sacrifice best or you don't at all.

Too many mouths don't get
the job done.

Don't take your own life. Live so
damn well and let God Almighty
Himself take it.

I never lost a chess game. I just learnt
that at the end of every game. I
was too impatient and too excited
to win while my opponents were
too patient and too sober to lose.

You don't have to do everything. just
do your part, best to the best of
your heart, mind and ability.

You are a hero in the most unique
way you never thought you are.

You will get tired of everything.
Tiredness doesn't mean it's over
with you. It only means that you
should rest, recover, revitalize and
get ready to try again.

Our generation knows a lot but
hardly applies anything. If you
become a practitioner, you move
ahead to horizons only
others can dream off.

The experiences gained from
failure are more valuable than the
rewards of instant success.

conditions. If life does it, survive it
but as for you - don't throw
yourself into a den of lions. Don't
sabotage or disadvantage yourself.

Everybody you meet and will meet is
a work-in-progress.

Pharaoh's nightmare became the
fulfilment of Joseph's dream.

You owe yourself healthy,
encouraging, authentic and
empowering circles because you
are already dealing with a lot from
all other places - create your own
paradise in the quality of your
companions, advisors and
counsellors.

Take responsibility for your wrongs.
Don't just take credit for what you

do right. That balance will make
you phenomenal.

When you discover who people really
are. Equip yourself to love them
even more.

There's good in every person. You just
have to be in-love to see it clearly.

Compromises of character will either
damage your life's reality or your
soul and sometimes even both.
You never come back without a
single spot. You will always profit
on everything you invest your life
to or on.

Competition starves collaboration.

Competition sucks away mutual
principles.

A person's gift facing skilled men is a
gamble for power.

In our pursuit for individual power
and prestige - what is the cost to
others?

Your values and standards must be
challenged to gauge your
conviction.

Failure is not a result of not making it
through instead it is a result of not
learning why you didn't make it
through.

An attempt is only a failure when
nothing is learnt.

Learn to take feedback from your
setback to refire to a great comeback.

Vision requires patience. "It is for a
set time" youngster!

If we are ever going to be effective in
anything. We have to be really
selective about spending our time,
lives and resources. We cannot
please everybody.

You need to stop chasing what was.
Work on what is! And have hope
for what's to come.

going to offend a lot of people. Be
your best self anyway!

just because you are going
through a hard time...

PEOPLE & RELATIONSHIPS

Societies exist because families exist.

The combination of families constructs a society. Unhealthy households produce an unhealthy Society. The cancer on the surface developed within. If you heal families you heal the society at large.

You must give yourself time to gauge people's level of growth before you can share certain truths with them otherwise, they will stumble in their faith.

Remember there was a time Peter could reveal who Jesus was through the inspiration of the Spirit and there was a time Satan manifested through Peter. It's not the person but the spirit a person decides to manifest from a chosen thought.

Learned fools carry wisdom that they
do not apply themselves. A wise
king inquires of learned fools.

At the end of the day, power belongs
to the unity of the people.

All men have something to teach. We
just do not pay enough
attention to learn.

You can know a lot of people from a
distance but only
to touch ground with them at a
particular set time.

There's no such thing as a foreigner,
just distant relatives we meet a
few times in our lifetime.

Some people need you but they
cannot reach out to you because
of what they said behind your
back to others and what they
agreed about with your enemies.
Life will bring you to situations
where you need who you killed to

impress those who are now after
you.

If we invest in our siblings. We
ultimately take care of our nieces
and nephews.

Meaningful relationships are born
when partners are intentional
about adding value into each
other unconditionally so.

Seeing a man in the lenses of his
previous faults says a lot about
your level of forgiveness and your
eternity.

Refrain in all possible instances in
doing to other people what you
yourself would not handle or even
be able to forgive easily.

Sharing in the bitterness of others is
but great foolishness.

Historical differences tend not to rest
with the generation of its
occurrence.

Upcoming generations inherit the
hatred and bitterness of their
forefathers at the expense of the
prosperity they can attain
peacefully together. Both
conflicting parties would rather
starve to death than work
together. What begotten
foolishness this is. The prosperity
of the people is within the
condition of the people's hearts.

You don't do it to them. You do it to
God through them. People are
altars to serve God Almighty.

Do good to all people. Forget the bad
reports you hear about people.
One day what you do to people
will undoubtedly come back to
you. I have lived long enough to
reap what I sow in others.

People don't forget easily. Do good to them while you at it.

Ignoring the weaknesses of others is bliss. Forgetting the wrongs of others leads to a peaceful life.

A lustful woman's eyes are all over men's pants and shoe sizes.

Only a few women ever reject a proposal from a rich fool.

Be very cautious and slow when entering a relationship otherwise your impatience is going to punish you. Instant disappointments are better than delayed disappointments.

Before you enter into a relationship. Get yourself ready to live without that person. Whether they leave you or pass on. Your destiny isn't tied to

nobody but God. Guard your heart, it is vulnerable and can be extreme.

Forgive others for failing your expectations and forgive yourself for expecting in others what you don't give to yourself.

Befriend and date people who have more character than you. There is so much to learn.

Looking for a friend and looking for a life partner are almost the same because these two relationships are intended to last for a lifetime.

So, take your time .

You must never befriend a guy/lady that wants you. Don't bring unnecessary sabotages to your relationship. Keep opponents far.

The kind and quality of friends you chose while you were single will come into play and backfire when you get into a relationship.

Choose friends who are entirely inspirational, corrective and loving towards all your life aspects.

Better intrude an unmarried relationship than to intrude a marriage. The degree of consequences in intruding a marriage is for a lifetime and eternity.

Your relationship is going expose the type of friends you have and mostly your true character.

Who you are completely is exactly what you take into a relationship. That very relationship will expose everything about yourselves to each other.

When you take worldly counsel to feed a godly relationship, you are mostly to destroy its godly essence. Feed a relationship according to its origin unless you

are changing its foundation
altogether.

Betrayal is inevitable from a
friend of no nobility.

Do not be happy when women want
you. You probably have something
they like to suck dry.

Nothing is as foolish and wicked like a
woman given to the
devil in herself.

Nothing frustrates a relationship like a
stagnant partner with no
willingness to grow in any aspect
of their lives.

Whoever you date has the ability to
influence you away from your
mission, passion and purpose.

If you are not growing together, you
are dying together.

Better have a failed relationship
than a failed marriage.

True love bridges the financial gap
unconditionally.

The right people tend to be available
the moment you learn to be the
right person along
somebody's else destiny.

A relationship strives best when
partners submit themselves
individually to God Almighty and
serve each other
wholeheartedly daily.

bad friendships. A bad relationship
will conflict with good friendships.

Good friendships and a good
relationship are marks of wisdom.

Before you are accepted, you will face
all kinds of rejection from men.

Don't let flattery and smiles fool
you, you will be tested.

I became generous to people who
said the worst and horrible things
about me. When they saw who I
really was, the world saw them for
who they were.

Be careful of befriending people who
don't have your best interests at
heart even in your absence.

There are going to be people who will
rise against you without
any cause.

Do not take judgement into your own
hands. Let God do it for you.

Be it that you are always kind and
forgiving towards your enemies
even if you don't feel like it
naturally.

How people treat you is how they think about you. Think well of others so that you treat them well.

There are people in life who hate you without any cause. They are likely to influence others to hate you without cause provided they make up a story that makes others hate you.

The character of a woman is an exact reflection of the value that she will be and add to you as a man.

Refrain from treating others based on the report you get from anybody. If you can't help being biased then you are a fool. Why? You don't know the reasons behind their initiation and reactions to your referrals. A referral from a bitter person is already biased. Save yourself and get referrals from graceful people.

Moral decay begins in the household.

Naturally, children will insist on their parents' behaviors before they are wise enough to choose their own behaviors.

You must balance your exposure to both negative and positive people.

Do not ignore destructive criticism nor should you pay more attention to constructive criticism.

Women are very powerful. Men's position power represents God's authority. Women's influence power represents God's power. In the tongue and character of a woman is God's power. It lies within the hands of women to build or to destroy kings.

Women always ask me as to how can they keep a man? Unfriend the devil in your mind. Unfriend the devil in your heart. Unfriend the

devil in what you watch and listen to. Befriend God Almighty and as you become in Him, you will keep the right man because you will be favor to him from God Almighty.

Whoever/whatever influences women runs this world. If it's God Almighty, godly men will arise.

Don't even go near women who have no enthusiasm for good works, they are always what you want on the outside, but not what you need on the inside.

Get rid of friends that applaud your foolishness, wickedness and entertain your weaknesses otherwise you are going nowhere far.

Pride has always killed the best of two loving people! A lack of humility always sabotages relationships.

There are some blessings in your life
that will not manifest until you
meet the right friends and until
you become the right friend.

You are not as godly as you think you
are if you take pleasure in the fall
of your brothers and sisters.

One way to destroy yourself as a man
is to commit yourself to an empty
beautiful woman who sees no
reason to grow, evolve and
mature into the best of herself.

Women are as resourceful as they
choose to be and what you
make of them.

Some women are beautiful to look at
but are ugly to talk to.

The kind of home in a woman a man
confides in or comes back home
to, after his successes or failures,
is essentially important as that will
serve as discouragement or

encouragement for his next attempt.

Frame your wedding vows to each other on the opposite side of your bedroom so that when you are fighting and turning your backs on each other on the bed. You will remind yourselves of what you said to each other.

Your marriage is a ministry. Your joint level of integrity and love expressed towards each other will become nets to fish for souls.

There is a thin line between your good case against your neighbour and the manner in which you approach the offending party towards a unifying resolution.

Just because they don't agree with you doesn't mean they are against you.

A marriage without mutual sacrifice
will not stand in this
self-centered world.

There isn't a marriage that exists
alone especially if it intends to
strive throughout various
challenges. As much as it takes
different ingredients to make a
cake, it will take continuous
counsel to make it to the
envisioned end.

It is not the silence of our enemies
that we should beware off but
rather the flattery of our friends.

Intolerance towards others is self-
righteousness. Self-righteousness
is hypocrisy.

Not everyone has your heart and it is
definitely okay. Not everyone will
forgive and give like you - it is
definitely okay still. Quit
befriending and dating people

who aren't like-minded and like-hearted. They aren't people of your life path and that's okay still.

You must have a criteria that describes who qualifies to become your friend and your life partner.

Why? It protects you and what you carry. If you lower the criteria, count the cost.

The biggest problem with having good friends and a great partner is that you will never ever settle for anything less should they pass on.

The criteria is too high for chancers.

What we need to guard against in women as men is the direction and devotion of their influence power. Why? Influence is a fundamental tool God Almighty gave women to use in building homes.

A man tends to listen to the woman he chooses, loves and regards as his partner and helper, to her influence he gives in. Many decisions in this world made by men are as of a result of the influence of their women.

We are serving people that kill us daily. It is even a miracle that we are still alive.

Don't think they will never leave or pass you on the side of the road beaten, broken and destitute. God Almighty will never leave you but people of your faith will. It will be at that very moment where people who are not off your faith will pick you up, dress you, nurse you and pay all of your bills without ulterior motives so that you can know that God Almighty is not a Christian.

Remove the hatred others try to sow
in you through their words and
actions. You are very fertile.

Scruntize the seeds that are
planted in you and dig them out
especially if they are not worthy of
the goodness you are growing to
be in Christ.

If you entertain every offence against
you in pursuit to reconcile with
the offenders without checking
the offender's level of maturity -
you are wasting your time, worse
incurring unnecessary insults for
yourself. Not everyone has the
maturity for reconciliation. Forgive
the offences daily and be on your
way with your life least you grow
bitter because of fools.

It was the people around me that told
me a lot about myself through
their initiations and responses
towards me. Changing parts of my
story required me to first change

Seek a royal character than royal attire. She might not afford the attire but if she's got the royal character - that's your target. Who can she serve? How can she serve? How's the serving attitude?

A woman of character will add more value to your life than anyone can. She will be a manifestation of the Spirit of God.

If men were to be honest with God, themselves, others and the visions they carry. A lot of women would be single, fatherlessness would drastically cease and divorce would only be a dream. Only if men were to be honest.

Mates selected out of lust, desperation, monetary gain, authoritative influences and peer pressure rather than careful

judgment produce
catastrophic results.

Compromising the criteria is
compromising the quality of life
you envision with your future-
spouse. Compromises backfire
harshly. Better search and wait
than to settle for misery.

Don't you know that people are
entrusted to you for a season and
for a reason, that once your
purpose in their lives is complete
either you leave or they leave ?
Are you that short-sighted not to
understand the times and
seasons? Their departure has
everything to do with God
Almighty.

Refuse to see others from the
dusty and misty spectacles of
those primary to you. Your story
with them will be what you make

it to be. It is within your power to judge who becomes your friend, associate and life partner. Don't take what's common or available for the fear of being alone. You find the best when you personally grow into your best.

A helper is emotionally, physically, psychologically, financially and spiritually balanced. Anything other than that is a premature death.

Self-absorbed people don't make good partners or leaders. Better avoid their path than to learn the hard way.

Get into the habit of thoroughly assessing people with patience before you get into any type of relationship with them. The patience in your assessment will

save you from unnecessary
drama and problems.

People from different religions who
profess the sovereignty of God
Almighty, doesn't the same God
Almighty Who brings you
customers instruct you to love, to
be generous, to be kind and sober
in your judgements? On the giving
end, you question and
discriminate based on one's
religion. On the receiving end, you
accept and validate the
authenticity of their faith because
of their kind gesture.

You must never treat others based
on the references of others. Why?
You will miss an opportunity to
serve God Almighty in that person.

If you don't like someone. Free
yourself from the temptation to
speak ill of them nevertheless to

treat them bad. Why? You will
need to go through them one day.

Many people will give you a kiss
towards the future, they will not
hug you for the past and they will
rarely give you a hand and an ear
in the present.

If your preaching is logical, you will
have an audience of men. If your
preaching is emotional, you will
have an audience of women but if
your preaching is Spirit, God
Almighty Himself will gladly hear
Himself recite Himself to Himself.

A couple that hears from the same
God don't argue about what God
said they need to do.

A beautiful woman with a good heart
is lethal. Her sting is for a lifetime.

The true beauty of a woman lies in
her controlled ability to
successfully manage the

abundances that are given to her.

It is her management that will ensure her future husband, family and her own success.

If all you see in a man is a ATM, sextoy, robot, sperm donor and a dustbin. You have a lot of healing to do as a woman. The psychological program you have currently is your greatest hindrance to the relationship and marriage you really want.

Conceive and raise children from places filled with love. Let love be the standard.

It is not enough that a man loves a woman. It is enough when you as a woman also love that man. To hell with women who think they are making men a favour by being with them - we need each other here.

Great relationships are
fundamentally made of a man
who is a full-time initiator & a
semi-receiver and a woman who is
a full-time receiver and a semi-
initiator.

Most men give women their dream
weddings then exempt themselves
from their own marriages
completely. Men can marry
women just to keep them caged
and never really commit to them.
It was "her" wedding.

The conflict in a man's world
occurs when he realizes that the
women he fleshly prefers are a
deadly sabotage to the visions that
he carries because they don't have
the virtues required to actualize
those visions. Unfortunately, most
men settle for their death.

An excellent spirit in a woman is not
seen in her beauty but in her

ability to manage faithfully what's
assigned and given to her.

Make peace that you are entering a
friendship and a relationship with
a flawed and imperfect person
that you will forever be
indebted to love.

Nothing have I found foolish than
women who are ignorant of how
they use their influence power. In
these kinds of women, there lies
the total depth of foolishness
and of living hell.

Both the destruction and construction
of a man lie in the kind of women
he chooses as his friends,
acquaintances and his life partner.
These women are either heavenly
inspired or hell sent.

Women do not fear hell.

Marry a woman who will not hinder
your worship to God Almighty

because if you don't, your sorrows
will be endless.

You cannot influence people you
judge and mistreat.

Manipulation is a quality common to
women that makes them excellent
witches. A man is to be as God
Almighty created him to be not as
to what women want him to be.

Pleasing the created at the
expense of the Creator is the
foolishness of men.

You can't as a man fulfil the
desires of a woman who is far
from contentment. Bottom line is,
most women are strangers to
contentment.

Women are born managers. They
are forever making important
decisions. The essence of a bad
woman is a lack of divine identity.

It's not who you are in the beginning of the relationship or friendship but rather who you remain to be throughout each other's life seasons that shows your truest motives. A lot of what people call relationship is actually sex partnership not life partnership.

Relationships that exist just for ejaculations eventually die from dissatisfaction.

A matching love and devotion to God Almighty is much more desirable in both now and in the long run than matching hobbies and social appearances.

You will benefit from building quality relationships with sensible people. Sensible people are those who speak, understand and reciprocate your love languages.

You need to be careful of the way you treat people who may not seem "useful" to you NOW because kings and important people rise from all kinds of backgrounds.

Don't look for a wife in a Christian girl, look for a wife in a God-fearing, Christ-following woman. The wife who is without devotion and conviction to God personally is your downfall.

The world would take a refreshing turn if a lot of women could account for the hell they have created and continue to create for everything entrusted to them but no! They would rather fill the churches and still decisively reconcile with Satan.

If hell exists. I am 100% convinced that hell will be populated by women. No being on earth lives a more wicked life than a woman.

The best friendships and relationships
exist when covenant partners are
willing to lay down everything and
anything for one another.

Sometimes good woman sell
themselves just below the mark
because of fear and impatience.

Ignore church politics; focus on the
task that requires your life!

There are bad influencers
everywhere, even in the church.
Mind the company you keep.

Sex is largely available but it is not
free. If it was free, your conscience
wouldn't judge you. There are
both unseen and seen
consequences with all sexual
immoralities.

WISDOM & WEALTH

Wisdom is essential for a worthwhile
life. Wisdom is gradual for a
purpose. Wisdom is infamous.
Wisdom is a flawless woman.
Wisdom is a grey-headed man in a
young man's body. Wisdom is
simple yet insightful and depthful.
Wisdom does not come with age.
Wisdom is given by the Creator to
anybody that asks Him.

All art is spiritual. Art is a
manifestation of the supernatural
within an individual's choice.
Humans have never acted out
anything by themselves.

I have not found a holy man in this
generation unless he be made
holy. A hypocrite is deemed holy
as long as he is in the presence of
convicted sinners.

Trust can be repaired. It just takes time and a lot of character to create reassurance and to prove yourself reliable.

Wealth is not in the hands of the hard-working men nor is it in the hands of wise men or men that please God Almighty. Wealth is in the hands of him who can manage the pleasure it brings and the purposes it can accomplish.

If you are going to have meetings that involve talking bad about other people in their absence. Don't go next time. Such meetings are not worth your presence. You are much better than that.

Never make friends with one that lacks wisdom if you intend on being wise.

Restrain the foolishness in your talk
and a lack of kindness from your
lips by keeping quiet.

Wisdom does not tell it all but it will
surely teach you how to answer its
own questions.

Enjoy the finer things in life especially
when you can afford them. Sell
the finer things always to make
guaranteed profits.

When flesh seeks to alter what's off
the Spirit, division is born.

Buy a thing primarily for the function
at which it will accomplish not
necessarily for your spoil.

Your habits contribute to your
spending. If you are spending into
debt, you will have nothing left for
generosity, investment and plenty
for sudden visitors.

It takes wisdom and a genuine fear for
God Almighty to avoid the wicked
paths of your forefathers
and your father.

If you haven't made a complication of
important life choices, keep it that
way regardless of societal pressure
and peer pressure. Do not drink
from a well of evident misery and
unnecessary sabotages
to your young life.

The first step to growth and change is
being authentic about your own
dark sides without making excuses
or passing the blame for what you
have become. God Almighty tends
to use people who are authentic
about their own dark sides.

Your enemies need to be the greatest
testimony bearers to your
salvation.

Part of wisdom is learning to
differentiate between when God
talks through you and when
God talks to you.

There are purposes that find you and
there are purposes that you find,
maximize all of them.

Money exposes your true character.
Who you are when you have
money is who you really are. A
lack of money has a tendency to
hide broken character and to bring
out a pretentious humility.

Judging publicly in others what you do
privately is hypocrisy.
Hypocrisy is foolishness.

When you have the character of
Christ to compare yourself with,
you are definitely on to
something worthwhile.

Listen to silence, the remarks
are too loud.

Do not take to heart one that
overpromises nor should you
attend lies about anybody.

If you want prosperity, stop
worshipping money. If you want
progress, change your friends. If
you want love, find a giver. If you
want success, exploit the failures
of others and yourself. If you want
purpose, find God Almighty. If you
want long life, humble yourself. If
you want to win, change your
stinking attitude. If you want a
wife, prepare yourself to be a
husband. If you want wisdom, bid
your foolishness goodbye.

A wise man does not have to say that
he is wise, his manner of
life will prove it.

Do not trust a man whose loyalty is
influenced by money.

A friend that withholds good from
another is not a friend but an
enemy and an opponent.

From a distance complications are
evident. Understanding is
mostly forensic.

Love shared amongst believers is the
highest testimony of
new life in Christ.

Our self-worth is in Love but not in
the people we love.
Separate the two.

People who are envious and jealous
of the accomplishments of others
don't know who they are neither
have they found God Almighty or
their purpose in life.

Having a relationship with God is very,
very important. It nullifies your
dependence on anything and
everything.

Three aspects that make a man stand:

His relationship with God

Almighty. High quality friends.

Compatible life partner. The first one is essentially important.

You need to properly examine every counsel you receive from various people and choose to only identify yourself with what is of God.

Don't ignore anybody's history, the best and the worst of him/her is in his/her family lineage.

If you find good-heartedness and critical thinking in one woman. You will have yourself to blame if you do not become highly productive, exceptionally impactful and wealthy.

Don't let your gift fool you that your relationship with God is in perfect standing.

The life of a Christian is not measured
on the sermon one is able to
preach nor contextual eloquence
but rather by the principles lived
out before all as manifested fruits
of the Spirit. God is Spirit and
Spirit is principled.

Religious people find God Almighty
useful for their own agendas. True
believers find God Almighty to be
their only agenda forever.

When the Church is divided, the world
will rule it. When the Church is
united, the church will rule the
world. So much of the Church that
remains today is because of the
unity of the remnant that please
God Almighty.

Beautiful birds, gloat in their fine
feathers and their sweet sounds of
praise. They are born both
predator and prey with features to
attract mates and other predators.

They bring balance to the ecosystem as they prey on worms, insects and they too are preyed on by various predators. Every morning is their growth and death date which they embrace with Thanksgiving to God Almighty. God's anointing attracts others to God's salvation yet at the same time attracts the tempter and destroyer. To be effective, you must be alive to the possibilities of the worst and the best from God Almighty.

All the guys we admired for rebelling and ridiculing the elders who warned them have amounted to nothing and their lives are a shame.

Purpose requires sacrifice because sacrifice is the ultimate expression of love. We are where we are today because of the sacrifices of our parents, teachers, strangers,

leaders and others made for us. All
of the above persons had a right
to not enable us but they did
because they found purpose in
serving us. There is no such thing
as a self-made man, someone had
to give into our lives one way or
the other. Sacrifice itself is
purpose and worship to God
Almighty above all else.

Your gift is God's tool to win souls.

Gifts convey the messages of the
spirit you choose to possess you.
You will be held accountable by
God Almighty for the
use of your gifts.

There is a difference between
privileges and a blessing. Isaac was
a blessing to Abraham but Ishmael
was a privilege. A blessing is in
God's effort. A privilege is in
men's effort.

What you do while you wait on God's
promises to you will
affect your entire life.

Fools envy wise man and wise men
learn from fools.

A fool always thinks that whatever he
withholds from you is your source
of life while he forgets that
he has children to.

No matter how powerful you are.
Never embarrass a parent in front
of his children for the children will
not forget even if the parent
forgives you.

Pride is inflated by possessions,
knowledge and wealth in
abundance. An Idolatrous man is a
fool and one that's far
away from God Almighty.

Fools have no discretion nor are they
able to discern matters wisely.

Show me an impulsive judge and I will
show you a fool. Show me a man
who takes time to view matters
then decide and I will show
you a wise man.

How we treat each other will affect
our present and eternity.

Even the rich are perplexed with
situations money cannot exempt
them from, sicknesses money
cannot heal and problems money
cannot solve. Money does find its
complete defeat in what God
Almighty has made crooked. If
wealth could bribe God Almighty
then I would say pursue it above
all else but then it cannot.

God Almighty is the only worthwhile
Pursuit this entire life. Everything
else unfortunately is pointless.

There is not a worthwhile pursuit that
isn't going to change your life.

You don't have to touch the whole
world just a few lives in
the best way you can.

Teach yourself to never pee in unclear
waters for those very waters will
protect you tomorrow from
various dangers that are pursuing
your life unwarily so.

The seed deep within fertile soil does
not laugh at the old tree that fell
due to age which is now on the
ground and serves as
nutrients for the same soil.

To be highly impactful in your
generation as a man. You must be
intentional about outwitting the
devil in others and in yourself by
drawing yourself closer to God
Almighty timelessly.

If you ever tread on your father's
footsteps knowing well that they
lead to hell's doorstep, you will

create tremendous difficulties for
your descendants. Your decisions
are generational.

Selfish people gain and die. Selfless
people give and live forever.

When you selflessly give to someone.
You answer prayers of many other
people. It is then you will realize
how connected we all are.

Don't wish too much for a better life.
Be alive to the one you have to the
best of your abilities, gifts and
talents. You will be surprised on
how God Almighty in His purpose
for your life makes room for the
abundances within your heart
desires .

Contentment addresses greed,
purpose addresses extreme
pleasure and fulfilment addresses
voids of insignificance.

Do not imitate the foolishness of a
fool no matter how rich, educated
and highly positioned by society
they are. Insist on wisdom.

Encourage others from a place of
healing, love, pureness,
unity and peace.

Character is an advantage
even in business.

Doctors can never heal themselves
and nurses tend to forget that
they are also patients.

Many are studying to be preachers
yet only a few are learners of love.

Until you have compassion for the
multitudes, you are bound to
produce admirers of Christ
and not followers.

Losing friends is not really important,
losing yourself and what you stand
for to please friends is a crisis.

Biblical wisdom works when you apply
it not when you just read it.

A brother is given to you but a friend
is found through wisdom.

If you are laughing today, you will cry
tomorrow. If you are crying today,
you will laugh tomorrow. Wisdom
is knowing that both seasons were
created by God Almighty. Cry till
you laugh again. Laugh until you
cry again. Nothing other than God
Almighty lasts forever.

Part of wisdom is knowing what and
who to avoid to keep your peace.

The measure of a man is not in how
much money, wisdom, muscles or
knowledge he has but in lifting
others around him without fearing
their potential to be more than
what he is.

The foolishness of your youth will
punish you. The wisdom of your

youth will reward you. These adults around us are serving the sentences and enjoying the freedom of their youthful decisions. Life leaves no stone unturned.

The greatest man with wisdom and knowledge had a foolish ending to his life. It is more important as a man to give heed to God Almighty's audible and personal voice than to your own wisdom even if it be God-given.

Age doesn't equate to spiritual maturity, love in wisdom does. The Pharisees were supposedly aged and wise but couldn't compare to the wisdom in love that Jesus Christ had.

More personal knowledge and wisdom is required to lead gifted and talented people. Converting their pursuit of personal glory to

team victory requires solid
leadership.

You don't have to necessarily go
through your stupidity and
foolishness to attain wisdom. Let
the valuable lessons of others, the
good examples of others and
God's Word center your life.
Better are precautions heeded
young than misery attained
at old age.

Wisdom and foolishness are shown in
how we live not only in
what we say.

You cannot be genuinely God-fearing
and not have knowledge and
wisdom.

A apple tree got its name from the
fruits it bears so are the actions of
a man that reflect what's reserved
in his heart.

Again, reflect on your ways, tailor
your good actions, and capture
corrections to counsel well. And
my son, don't be misled by
persuasive speech or writing that
doesn't give glory to God. For an
eagle lives when it finds its wings.

Dreams come from your meditated
fears, from your conversations of
positive or negative possibilities
with others, your envisioned
victories, precautions, guidance
and revelations directly
from God Almighty.

Women focus every word said to
them by various ranking people on
their self-esteem. Difficult people
with unfriendly remarks
automatically arouse negative
feelings in them which they will
attach negative emotions towards
to those very people.

There are five dangerous things for a man: Women, Money, Devil, Friends, and Brothers. To balance all these dangers, pursue God Almighty. He will give you the necessary wisdom and knowledge to maneuver through these dangers.

Habits become strongholds. Make sure that your strongholds are godly, good and pure.

Your standards as a parent are founding benchmarks for your children.

Your character will create your reputation but your reputation will never create your character.

Study everything that is in-line with God's purpose for your life, that's your garden!

Don't expect loyalty from the people you did good to but expect loyalty

from God Almighty. The God
Almighty who you served by doing
well to others.

The day you learn to listen without
judging is the day we will move
towards compassion.

Don't expect to be deemed as a good
character in everybody's story
even Jesus Christ was deemed
blasphemous, a drunk and a
glutton by Pharisees.

Wisdom is the ability to weigh
contrasting knowledge, create a
link, eliminate falsehood and
convict to what you have
decided on.

If it violates the nature and the virtues
of love - it is sin.

You can't touch God's principles truly
and not experience His
abundance.

If you think you have loved enough;
look at God Almighty
in Jesus Christ.

Humility is an attitude before it is an
attribute and an act of goodwill.

Giving a gift in secret means to tame
your tongue, to say nothing to
anybody about what you did, to
never remind the person that you
helped them, to never manipulate
them for favours and to just keep
on doing good to everybody.

Don't fall in love with the instruments
of your service so much that you
fail to enable others that require
the very provision you
have in abundance.

Show me a man that rises to great
success without meaningful
relationships, strategic
connections, spiritual protocols

and I will show you a man
on his way down.

Envy and jealousy from a friend are
signs not to be taken lightly.

Have some bad influencers in your life
just to get a free assessment of
your life's progress.

Jesus Christ didn't get rid of Judas
Iscaiot because the devil in Judas
ushered Him to the climax of His
purpose on earth.

Whenever you serve the Lord
diligently in others, beware and
fearlessly rebuke the spirit of
Satan manifesting in those close to
you regarding your work with the
Lord otherwise you will
not finish your race.

The greatest traitors in history are
leaders. They delegated men to
fight each other in order to feed

their egos and inherit their
widowers.

Mercy, forgiveness, love and grace are
what makes an imperfect world
perfect. If you cannot give those
to anybody, you might as well
embrace the hell you
are settling for.

To another is spiritual abundance
but no material abundance. To
another material abundance but
no spiritual abundance.

Selflessness is required from both.
It is at that very selfless exchange
between them that the Kingdom is
formed in a way that none of
them lack what the other has. He
imparts and he gives.

Don't repay your father's
foolishness on your children
otherwise you are no different
from him.

When you understand that the
assignment is divine. The
applauses of men will not count
with you.

Boys are fascinated by sexual
appeals that are stimulated by the
figure of a woman's body while
men are really fascinated by the
essence within a woman's
character. It is not the body that
will be a wife to you or even be a
mother to your children or even
build you a home but it is the
essence of her character that does
all of the above. Truth is, we all
start as boys.

If you are a Christian because you
belong to a particular
denomination that has a particular
attire or you are pastored by a
certain pastor or because you
worship in a certain building or
because you participate in church

activities Other than the truth that
you PERSONALLY responded
willingly to God's call upon your
life - you are already misled and
on the wide path to death.

Humility is not necessarily a remark of
men based on your life but rather
evidence that you continue to
encounter God Almighty. The
ways of a man are far less than the
ways of God Almighty.

I have studied most cases people
have against the existence of God
Almighty. Logically all of them are
correct but spiritually they are all
wrong. Spirit and logic do not
contest in the same ring.

Spiritually, God Almighty tells Noah to
build an ark. When Noah tells the
people to enter the ark as a great
flood is coming. The people
ridicule and label Noah as a crazy
man. It is very much easy for us as

man to make fun of spiritual things but when spiritual things return the favour on us. We cry and deem God as evil...

Enablers fail dismally when they want to control the lives of those they enable. They move from godly stewards to satanic agents in their self-entitlement.

Release your life from the mercy of others.

Everything men made is inspired by divine entities. All creators and writers conjure with various spirits. Humans only have a will to choose which spirit they conjure with. This too is meaningless.

It doesn't take perfection for the Lord to be with us but it takes true genuine repentance. To continually examine ourselves and

to repent continuously when error is identified is a mark of humility.

A perfect definition of humility is the unconditional pursuit of God's heart through love manifesting itself through the Holy Spirit.

Eliminate hypocrisy!
We need to stop obsessively obligating and expecting preachers, leaders, believers, friends and our partners to be perfect in everything. If we hypothesize moral perfection then we nullify our duty to continuously give love and grace. A lack of good judgment.

The conduct of a minister can negatively affect the amount of people who are impacted by his/her gift. Why? Many people are not matured to separate divinity in carnality. Everyone is

struggling with carnality on various levels. This struggle with carnality will not end until death that's why grace and love is given.

Do you take a divine word given to you by a drunk man passing you on the street? If you judge him for being drunk and discard the message - you lack good judgment. How much guilt will fall upon you should that very word manifest?

You can't be religious and graceful at the same time.

There are people who talk to your intellect. There are people who talk to your soul then there are people who talk to your spirit. As a speaker I found that the messages I share, talk to people differently. It took me by surprise one time that people of all religions and

beliefs follow me so I wanted to know what is it that all these people have in common. The answer I found is that all of them are in search of higher truths so they follow me to relate to along our different paths.

It takes wisdom to manifest unconditional love.

Nothing provokes in us perfect godliness and unconditional love more than our relationships.

Make sure that you can override the influences of those you have close to you otherwise you are going to sell-out and get captured. Eliminate weak points of contact always. Calculate your weaknesses because this is war.

Denominations are stupid. Racism is stupid. Tribalism is stupid. If you

support any of these divisions, you
are also stupid.

Archaeology reveals that biblical
history even in its questionable
selectivity is true as tremendous
evidence everywhere is found.

The heavens consist of technology,
men haven't yet imagined.

Human imagination is the highest
communication God Almighty
has with men.

You cannot really forgive and
forget the hurt that you continue
to recite daily. Bitterness is fed
for it to strive.

Intelligence makes from what was
wisely created. Wisdom is fearfully
knowing that God created what
we intelligently make from.

I have rebelled against being
captured by political, religious and
educational institutions. I did this
so that I can expose their
mandates for human control.

You really have to discern the
remarks other people make on the
lives of others because some
remarks come from
jealousy and hatred.

The peace and the conflicts in the
heavens are expressed on earth.
Humans are reactors and enablers
of spiritual activity.

Sell, count, talk and defend
without lying then you will be a
person of integrity. Integrity is a
divine journey we must begin to
travel daily especially by the grace
that is apportioned to us daily.

Your inner circle is within your jurisdiction, you preside forever.

Feared, spiteful, tale-bearing, divisive and oppressive people never finish their life's purposes well. Pride and self-deception causes them to perish. Very few realize it but many face irreversible consequences and leave behind cursed legacies.

All men's doings get judged long before the grave. The divine spear of judgment is very active.

Apart from your family, believers and God's will. Refrain from freely associating yourself with people whose weaknesses you cannot gracefully cover otherwise you will indirectly expose them and have unnecessary enemies. This is within your power to do.

David facing Goliath teaches us
that we can thrive regardless of
the enormous amount of ridicule,
doubt, disbelief and negativity
around us especially when you
have given your life to an agenda
that is greater than yourself.

There's no true fulfilment apart
from selflessness.

One day you will wake up and
thank God Almighty for getting
you through everything that is
making you cry right now.
Transitions are painful but
purposeful.

Just because you are a present
father doesn't mean you are
fathering .

Sometimes wrong is right and
right is wrong in the face of
history.

The most heart-breaking thing
ever is to witness the golden ages
of young men being swept by too
much pleasure.

Once you say , "This I will not
forgive ". Just remember that the
same measure will apply to
you too.

Having thousands and millions of
Rands but you can't help anybody
while you are an intercessor is
waste of prayer – you
are mocking God .

When strongholds are destroyed -
doors open.

Remember the skilled God-fearing
men you met on your way up. It is
always good not to arrive alone.

You cannot exempt suffering from
love. The wickedness and
foolishness of those you love will
cause it. If you love, you
will suffer long.

Listen to your intuition and avoid
getting yourself into things that
you are going to regret later. Your
spirit doesn't grieve for no reason
- there is trouble ahead so avoid it.

There is a season for talk and
there is a season for execution.
Both seasons require patience.

You are old enough to have seen
women in their goodness and
evilness. Yours is to discern the
best way to react and to respond
to both good and evil initiations
from women.

It takes life to give life. It's takes
God Almighty to have life
and to give life.

Having access to things is
abundance itself. You underrate
access to everything as a blessing
because you are surrounded by
hoarders, idolaters and capitalists.
Envyng people who are trapped in
greed is what is frustrating
many lives.

Character is not given but rather
developed by the values,
principles and convictions you
choose as pillars for your life.

The gifts of the Spirit don't
automatically come with the fruits
of the Spirit. Character is
premeditated, meditated and
post-meditated. Meditation is the
basis for character development.

The gifts are given to enable, heal and encourage all people. Don't let the praises of people divert you from your purpose.

The Spirit knows no religion but devotion to Itself, love in its holiness and gratitude in all things.

The texts are all compromised but the Spirit is real. The Spirit is superior to the text. Men therefore need to be led by the Spirit at the end of the day.

Be patient with the harvest of your good decisions.

There is an angel assigned to everything created. The books of Enoch shows it very well and the book of Revelations supports it by introducing angels that oversee the churches.

Everything imagined by humans
exists. Human imagination is
communicated.

If you can use people and take
advantage of them just for your
own gain - that alone says a
mouthful about your character. If
you do not establish relationships
for the mutual benefit of both
parties, you are much
better off alone.

Double-check people who defame
others. You might be dealing with
an envious and hateful person. As
you grow up.

Until what happened to others
happens to you, you will learn to
shut your mouth and to reserve
your judgement.

Your gift is going to attract all kinds of people and spirits. Your battles are not only physical. While you heal and build people, you automatically will engage in warfare.

A challenge is a wisdom quest. The knowledge to overcome is awaiting seekers.

The gift is never above the Giver. The gift is captured by the Giver. The gifted have no will of their own in regards to the gift. The mandate of the Giver is supreme. They are possessed to serve the gift whether they want to or not.

Christians will take processed herbs in tablets from a Muslim/Hindu doctor without question but they will demonize natural herbs from a native doctor. The same Muslim invokes

Allah and the same Hindu invokes
Bhudda in their practice but you
still take the medication without
question. Come to the native
doctor whose medicine you never
take because he/she invokes
ancestral spirits - you prosecute
and demonize them. What
partiality is this? Is it foolishness or
stupidity? Medicine whether
modern or indigenous is God's.
Healing is God's. Ancient healing is
still healing no matter how
spiritual or educated you are. Is
everything in the East demonic
and everything in the West holy
because clearly you highly regard
the West? Covid humbled many as
they used natural herbs to
immunize.

You are not going to do great
things by seeking human
affirmations and validations. It is
highly important for you to

continuously encounter God
Almighty whatever way He
chooses to manifest to you.

Accumulating wealth without
intentions to accelerate good and
noble agendas is the greatest
misfortune you can
cause upon yourself.

There is no completion to both
knowledge and wisdom. You will
die searching. You just have to find
contentment somewhere
on the journey.

If you have love. You are going to
suffer due to the virtues of love. If
you don't have love, you are going
to cause the suffering by default.
Unfortunately, not even Jesus
Christ could escape this so He
embraced it to the cross.

Build so well that nobody can
claim a brick in what you have
built except God Almighty.

People see our gifts. God Almighty
sees the altars we serve on .
It is imperative that men acquire
godly wisdom to navigate
effectively through power, wealth
and women .

The value of knowledge and
wisdom is cherished by its
practitioners more than its
pursuers.

A man's love is shown by sacrifice
of himself to whatever he deems
worthy of that love.

Love languages work only for
partners that are selfless. Love
isn't selfish. The greatest love

stories are from selflessness.

Always outline your deal breakers clearly. There will be a number of deals to break especially with potential partners.

The greatest tragedy is men buying wisdom in books but they never really acquire that wisdom. The thrill of wisdom is application not memorization.

In business, friendship and relationship. It is your character that evaluates the value that you are.

Some of our breakthroughs are withheld by God Almighty because we have held praises due to Him in the things, He has already done for us.

In a father, children experience either God Almighty or the devil himself. Fathers are a primary reference of the supernatural.

The biggest failure of any man is to leave the world in the same condition that he found it in.

Find the vain purposes of your life and pleasure yourself in carrying them out.

If you don't attain self-control in your youth. All the abundances you want, will help you kill yourself long before you are able to take control of them. First will be greed then lust will definitely finish you off.

The winds are created but the sails are yours to adjust captain.

As a servant, both demons and
angels will come to dine at your
table. All kinds of spirits in men
and in your thoughts
do visit a man.

Those possessed by God Almighty will
possess off God Almighty.

We are the fulfilment of God's
promise about the manifestation
of sons and daughters.

The saddest thing ever is to be a
believer that lives until old age
and to never have won a soul for
God's Kingdom.

A prosperous soul is one that's
embodied in love. Your level of
forgiveness and love for mankind
is a direct indication of your
eternity.

Nothing is as dangerous as a
stone-hearted preacher. Unless
repentance begins with the
preacher, his truth will deliver
people but his life will lead them
to hell's gates.

Wisemen have in-depth
experiences behind the proverbs
loudly spoken by fools.

A flatterer has many friends.

Rather be alone than to be found
in bad company.

Better is public disagreement from
your enemy than private flattery
from a friend.

Wise words are all the same. The skill
is putting them in
your own words.

Wickedness is a weakness
of the good.

Prevent what you forbid otherwise
you will be labelled as a nuisance.

When opportunity meets ability or
when ability meets opportunity,
responsibility is born.

Newspapers were noble until they
began to sell gossip.

Honesty and riches were last
discovered in Job's house. To this
day they are still missing.

Sex makes an old woman feel
young and desirable while it
makes an old man feel
eternal and peaceful.

First you move with courageous
man. Second you move with man
who are selected by God Almighty

for you. It is only then you are
guaranteed of Supernatural
victory.

War and company. Wisdom and
God Almighty. Knowledge and
purpose. Wealth and women. Men
and sacrifice.

You're either silently wise or
silently ignorant.

You cannot look forward to the
future until you rectify and
reconcile everything you did
wrong in your past. Why? Your
present is a direct reflection of
your past decisions and actions.

Christians have denominations.
The denomination of disciples is
Jesus Christ only.

Wisemen have in-depth experiences
behind the proverbs loudly spoken

by fools.

One day believers will realize how the teachers of these times have lead them astray and they too as believers will be judged for their ignorance.

The miracles will attract you to the faith. The message of the Gospel will fully scrutinize your motives right down to the moments where you genuinely encounter God Almighty if you are really thirsty for Him.

In the Kingdom there are no hoarders or idolators because "To him much is given/entrusted, much is required ". Be it wisdom, knowledge, possessions and gifts of the Spirit. Leadership in the Kingdom is not a position but a lifetime service to ALL God's children.

"The thorn in the flesh" kept
Apostle Paul humble and needing
of God's grace. Barrenness kept
beautiful Hannah humble and
needing of God Almighty.

There are aspects in your life where
God hasn't given you
victory/purposefully delayed
victory on just to keep you
humble. If you had it all together,
you would shun God in the face -
He knows your heart. " Pride
comes before a fall" and " Whom
God loves, He corrects". Those
vulnerable area(s) of your life
came to serve a purpose in your
life least you exalt yourself beyond
measure.

Throughout the whole Bible, God
Almighty gives men both sides of
the story then advises men to
choose life.

He gave Adam instruction and a will to either obey it or disobey it with a clear outline of the consequences.

Over-indulgence of either foolishness or wisdom may lead a man to his own destruction hence a reverent fear for God keeps a man in balance with both foolishness and wisdom.

The whole Gospel is embedded in teaching believers to respond righteously to unrighteousness.

It's not the person before the fire that's interesting but rather the person who comes out of it at end of the fire that's really interesting.
Better the conquest than conformity.

Remember the Value of time,
Worth of sacrifice, Benefit of
effort, Virtue of patience, Success
of perseverance, Dignity of
simplicity, Power of kindness, joy
of charity, Importance of morality
and the Peace of contentment.

Happiness streams from joy. Joy
streams from servitude. Servitude
streams from love. Love streams
from God Almighty.

They looked at the man, judged
him by his outer appearance and
rejected God in the message.
They looked at the man, judged
him by his outer appearance and
accepted Satan in the message.

To be Christ-like is to mature a
love attitude that enables you to

give others God's best even when
they give you and deserve
hell's worst.

Significance is divinity at play.
The intention of two lovers should
be motivated by sacrifice not self-
sufficiency otherwise it is a crime
to even call them "lovers".

Let everyone else call you an
expert but you personally should
remain a humble scholar. Forever
learning and applying everything
that God Almighty is teaching you.

Unforgiving people are divisive.
They divide everything.

My intellect is useless if it is ever
measured against any other man.

My wisdom is futile if it is ever
easy to apply. My existence begins
and thrives when I harmonize
myself with the melodies of God

Almighty, my Creator.

Not all friendly faces are friendly.

Better a friend with a frown at
your foolishness, smile at your
wisdom than an enemy with a
smile at your foolishness and a
frown at your wisdom.

Wrong advice exists in anyone that's
envious, jealous, arrogant,
ignorant and who wants to keep
favor with you. Neutral, God-
fearing and loving advisors are
very rare. Tread carefully
with men.

There is a higher dimensional walk
with God Almighty that will make
you look like an insane person
because your life in that very
season will not make
sense to anybody.

You are called to impact the lives
that God Almighty long chose.
Your life's call is territorial, specific
and durational.

I treated a few people the way they
treat me and guess what? They
hate it and they hate me for it.
Can you take the rubbish you give
to other people? If not, change
ASAP!

If you look up to Christians, you
will stumble because of their
imperfections but if you humbly
look unto Jesus Christ, follow Him,
you will be blessed and
become a blessing.

Instead of mistreating your
brothers and sisters over the sins
they have repented from. Pray for
them, encourage them and love
them. Why? This
pleases God Almighty.

Wisdom be first in everything.

Beyond entrepreneurship and making money is wisdom. You may strike deals and lose your soul in the castrophy of financial success.

A man cannot proceed to being Holy like God Almighty unless he be led by His Spirit.

The Church doesn't stand on the giftings of one man. It stands on the giftings of all believers for that creates a fully functional body.

You will not have meaningful business relationships with anyone if you serve money. Avoid money-mongers lest you learn their ways.

A matured breakthrough rushing to an unprepared believer will

become a breakdown.

The testimony of prodigals is
always great yet it comes at a
greater cost

The prodigal son acquired a
revelation about his Father's love
in his foolishness and
waywardness than he would have
in his highest wisdom.

Wells are ditched BY ALL when they
are dry.

Being a believer doesn't exempt
you from the classroom of life but
it does give you an eternal and
identity advantage.

Carefully react and respond to all
kinds of initiations. Win
without fighting.

You are greatly defined by the level of truth, you allow yourself to take in to improve your own life.

I am not wise. I just look like what I am searching for.

If you are too embarrassed by your mistakes due to a fear of men. Chances of avoiding and hiding them are high while chances of really learning from them are very low.

It was God Almighty and the man then the woman and the serpent. First the heroes then the villains but remember the One who created the whole story. Who can hold Him at fault? We however are actively and passively scripted.

Wisdom is spoilt by pride, over-indulgence and hypocrisy. Wisdom is never given for the satisfaction

of one man. By nature, wisdom is
a servant that God Almighty
entrusts to whosoever He pleases
and whosoever asks with
the right motives.

Therefore, I want to submit to you
the futility of life. The judgment
you pronounce on others will also
be one day pronounced on you.

Men judge observations and hardly
correct what they see wrong in
others in themselves first.

Earth in a nutshell is the best-off
heaven and the worst-off hell
combined.

Rather have the whole world
watch you and God Almighty play
from a distance.

Make allowances for infancy and
little faith in others.

Understand that the tempter is
also a creation of God Almighty.

Do not dig too deep. Everyone has
skeletons that they buried.

Yesterday is a lesson. Today is
blessed by God Almighty.

Tomorrow is known by God
Almighty; only can men predict it
and prepare for it.

Without God Almighty:
Men abuse position power and
women misuse influence power.
Both abuse and misuse of these
powers automatically
glorify the devil.

Evil men seek the divine for their
own glories, stomachs and
pleasures. Know them for their
wicked pursuit ends in death.

Nothing humbles a man than realizing
his essential and striving need for

God Almighty.

The input of your character into prevailing situations produces the output of your current reality. Many of our life situations are an expression of compromise and broken character.

You are as impactful as your level of character.

A man whose loins leak before every woman is first an enemy to himself before he is a weakness to the brotherhood.

God Almighty, self-control and wisdom are always mocked by fools. If you ever have such a mocker for a friend or a lover, you are also a fool.

Humility begins in the suppression of one's ego, pride, selfishness, self-conceit, hate and arrogance. It

is then that you can learn the
simple laws of God Almighty to
attain significance in your service
to your generation.

The burden of wisdom is to bear
with those who resolve to
foolishness, to enlighten those
who seek and to charge those who
have it.

Physical actions are spiritual
conceptions. Thoughts are
spiritual properties.

Charm and strength are only
valuable for a time but godly
knowledge and wisdom endure
beyond one's death.

Where greed is concerned. All
good efforts concerning the
betterment of all people will fail.

Rather have more deep roots than
long branches.

Every activity on earth originates
from certain influencing spirits
whose primary Source is God
Almighty.

Regardless of Lucifer becoming
Satan. He remains created.
Anything created automatically is
predestined.

There are no gods, no spiritual rulers,
no principalities, no angels and no
darkness unless all these things
were created by God Almighty for
purposes that are pleasing to Him.

The world isn't out of God's
control nor has it missed a pattern
in line with what has been
predestined of it by its Creator.

Show me your advisors and
counsellors and I will show you
exactly the man/woman
that you are.

Rebuke only a person of
understanding. Waste correction
only on wise people.

Quarrels lead to unnecessary
disputes. Better not quarrel.

Better to take time to understand
than to apologize for siding with
the wrongdoer.

Mistakes are a result of enthusiasm
that lacks knowledge and
patience.

Constantly trade your youthful
strength to the old and as they
instruct you, you will gain
experience.

The people around us will accuse,
fight and dishonour us but God
Almighty will send strangers to
edify, encourage and honour us.

I have fallen in love with God
Almighty and I have fallen out of
love with Him many times. When I
fell out, He suffers long and when I
fell in , He gains the best of my
devotion.

When you want nothing to do
with God Almighty. You have lost
your first love. Like many others, I
have lost my first love many times
yet His love for me remains.

Some situations only get better
when you get better at how you
respond and react to them.

We are called to a life of complete generosity. Whether be it in our giving and lending to others - we are to do it generously. Therefore, avoid half-heartedness, murmuring, eye-servicing and reluctance in your giving for those are mediocre before God Almighty.

Everyone wants the meaning of their lives but very few people actually get to live for causes far greater than themselves which however is the accurate meaning of life. Life is Love and Spirit experienced in timed clay.

The best way to time-travel is to seek the knowledge and wisdom that is vastly available in God Almighty.

Watch them as they rise against you then watch them as God

Almighty deals with them. You shall be a spectator of God's vengeance but yours, my friend is to forgive wholeheartedly.

The poverty of the heart is man's first hell. The vitamins that sustain a prosperous soul are avoided by most people. Misfortune and misery is yours to ever even befriend and marry such people.

Everything that matters to you will not be left unharmed. Life has to bring you to your knees just to show you that nothing other than God Almighty matters.

You don't repay someone's good to you with evil least you take a curse upon yourself and God's wrath be upon you.

The greatest vanity this life has is passionless professionals. They are

everywhere. It is a great misfortune and a curse to encounter them. An entire society built by mere survivalists with no soul. As long as the Creator glories in such malfunction so be it - He created it at the end of the day.

At your lowest. The love and loyalty of everyone is tested. At most people fail dismally so forgive them. At your highest. Your love and loyalty is tested. Do as you believe right. Just remember that you will be judged by both men and God Almighty.

I hate gossip both in men and in women. I don't like talking about things I cannot change in others or situations I can't help to change in others. Gossipers to me are miserable people.

I am not scared of the coming darkness. God Almighty created it for a purpose pleasing unto Himself. Whether in hades or heaven, He is there. Both wisdom and foolishness are created by God Almighty.

There is a divine hold on one's life that only let's go when your time is up. Embrace those divine hands that are holding you up!

It's not wise to hold grievances against someone for more than 3 days.

The tendency of men to avoid calling their women to order is men's highest hatred towards them as such produces bitterness then leads to unfaithfulness.

You have total power to qualify and to disqualify who gets close to

you without being obligated by a
shared belief or location or
genealogy or social status .Protect
your personal space - it is sacred
to all that you become !

They envy you, fight you and withhold
help from you because of the
great harvest that is awaiting you
on the other side of your struggle
and process. Take it a day at a
time with the Lord - what God
Almighty showed you is real.

Get wisdom above all else.
Wisdom is the master of
everything else that will be added
into your life.

It takes possession of a spirit to
expose another. All actions and
words are driven by particular
spirits. Discernment itself is
powered by a neutral spirit.

Money doesn't get you everything, a
good name is the gemstone to
everything.

In high places, loyalty is an emerald.

Invest your resources, money and
time into serving others
unconditionally - it will always
come back to you multiplied.

A lack of self-introspection has a lot of
people believing that they are
owed apologies.

Characterization without consistency
proves to just an empty
assumption. Faithfulness is not
proved in one occasional
circumstance where you decided
to obey God, it is proved in
continual, undivided obedience to
God. May we move
towards Faithfulness.

To rely on our own strength to create
wealth is a mockery towards
God Almighty.

Even the people who withhold help
from you are destiny enablers.
One day you will look back and
thank God they didn't help you
because their help would have
jeopardized your
becoming in Him.

The enemy is careful to present what
will appetize your flesh as
permissible indulgement and
hides the consequences.

Temptations are common to
everybody and they come at a
particular season. Basically,
temptation is one of the ways the
devil uses to get worship from
you, to leave you condemned and
cause hopeless in the victory that
you were called into.

You can name your child with the
most meaningful and beautiful
names but if you feed them
rubbish and stand as a toxic role
model - you will spoil a blessing.

When you serve the people; you will
never lack what you need and not
so long what you want - for your
wholehearted generosity will
present you before great kings.
For God's name sake; you will
blossom.

There is no way you can pray away an
offence. You need address with
the person who offended you.

Set your trust bars very low - let their
character increase it.

You must outwit the foolishness and
wickedness of your forefathers in
you by deciding to walk with God
Almighty.

You need to come to a point where
you understand that destiny-
inflicted pain is intentionally set by
God to move you further into His
purpose for your life.

Render your attitude to the hope of
your faith. Don't hate the people
used to enforce that destiny-
inflicted pain - they were just
available instruments.

Don't convert your assumption into
being truth until you have credible
and reliable evidence.

Take away Love in the believer and all
you have in him/her is a loud,
empty gong.

The existence of believers is solely to
echo God's love upon all earth .

Most of the men I come across (this
includes married men) always say
that they wish they had made
better decisions in regards to

choosing baby mamas and wives.

Chief, if you haven't made a complication of your young love life. Get the wisdom and knowledge necessary to avoid the path of your elders.

Have a better and best choices in women. Take the necessary precautions always before you invest your heart into a woman.

Mostly employ self-control otherwise you will be a victim of many traps fashioned to ruin your life.

Rather fall for Rebecca (virtuous woman) than Delilah (idolatrous woman). Idolatrous women have destroyed kings while virtuous women have built kings. If she vibes only with your God then you are safe but if not, you are a walking dead man.

Even in godly places, human
nature lurks.

Public worship is good but private
worship is better. At the end both
are essential despite the
distraction that come
with the former.

My guarantee of waking up tomorrow
lies in the duration of God's
purpose for my life.

The journey is long. It helps to forgive
all the way long because you don't
know how you will err one day.

Blessed is the man who finds a wife
who appeals to his head and his
head below.

The times are proving to us that it is
not the beauty/handsomeness or
body of a woman/man that
assures a long marriage but rather
the joint understanding of each
other's needs.

We know the times are evil but that
doesn't mean we have to
be like the times.

If the person you become is too
selective, too discerning and
sometimes if you are not careful,
self-righteousness finds a way.
The balance I have found is to be
God-fearing, compassionate, wise,
child-like in your faith and be
repentant despite your
realm of operation .

True spiritual growth will forever test
your humility.

3 governments will come to power in
South Africa : 1. Wicked
government (Violate oaths, betray
covenants their forefathers made
with God Almighty and they will
resort to various other gods).

2. Moralist government (They will
have a form of godliness but they

will deny and mock God Almighty).

3. Godly government (Their administration will carry a Presence so pure and just. God Almighty will be with them). The moralist government and godly government are simultaneously on a gradual rise. The wicked government is ushering the raise of the latter governments.

God Almighty has never been absent in the affairs of men.

True spirituality addresses the current realities with Godly responses and solutions. Seek God.

LEADERSHIP

If your father is a drunkard. You are
born into a relationship with
alcohol and if you commit to it.
You will become just
like your father.

Never discuss a man's problems with
a woman. Never discuss your
neighbour's problems with his
wife or children no matter how
foolish he is.

Leaders everywhere are bitter. The
way they talk and treat people
who left their organizations will
amaze you. If you have such a
leader for a leader, you are also a
fool.

Always choose to be led by
someone who has less foolishness
than you do, who has less
selfishness than you and who has
less ignorance than you.

When you wake up and you think
about the positive impact you can
add to your friends or partners life
then act upon it, you are a lover.

Power mishandled kills but power
kept captive to Christ
gracefully empowers.

Yesterday - they decided. Today - we
decide. Tomorrow - they will
decide. We must write our own
history of racial unity.

Young people are powerful but
distracted. In every youngster
there is a voice of passion and so
often that voice is silenced by
excuses, arrogance, ignorance,
parental negligence, fear of men,
discouragement, peer-pressure,
self-pity, lust, ignorance and
conformity.

Within every youngster is God's mark
of extraordinary greatness.

Jesus Christ dying on the cross for our sins screams out selflessness and sacrifice which are the foundational principles of impactful leadership.

A called person and a hired person may receive the same salary but the fulfilment level will always differ. To the hired one, it's just a job to make a living and to the called one, it is an absolute privilege and honor to serve God Almighty.

Power is a servant's greatest test. It takes true, unconditional and continuous yielding to God Almighty to remain humble in His exaltment for a purpose known to Himself.

The most successful man is he who helps fulfil the dreams of others. Because of his enabling

selflessness, God Almighty is
exalted.

Discover what you are passionate
about. Familiarize yourself with
the price of what you are
passionate about. Be determined
and consistent in that passion.
Determination in your passion is
an aim towards a particular
destination. Consistency in your
passion develops excellence from
your diligence. Once you make
peace with your passion and die to
it every single day; everything else
becomes your servant.

That passionate teacher in high school
that positively affirms the students
is a success. That skillful janitor
giving good advice to students
during breaks is successful. That
reliable business man who has
been serving his community
wholeheartedly with the little
profits is successful. That

volunteer in the organization that goes the extra mile to serve is successful. In a nutshell, success is an attitude of servitude before it is an attribute of impactful people.

Select what influences you in every person. I have struggled for years trying to find "exceptional" mentors and advisors. My shortlisting's have had very influential persons whom many look up to. What turned me off in these potential mentors and advisors is that they have weaknesses. I was looking for "perfect" people which unfortunately don't exist. Every man has some kind of weakness. Wisdom taught me to select what is right in their lives, what's wholesome in their lives, to take strength from their strong points and to cover their nakedness.

If you want to see good in everything,
you can. If you want to see bad in
everything, you also can.

Your legacy is the quality and the
standard of the decisions you
make not the material things you
leave behind.

A man who doesn't invest in
knowledge and wisdom is already
a poor doer and lover.

We start by meeting people who we
dream it with, to people who we
conceptualize it with then to
people who we put it
to action with.

A good man isn't always right. It's
what he does right when he has
done wrong that makes him good.

Consistency with sensible integrity in
your capability enhances your
credibility.

When you look at Jesus Christ. You must see yourself as a man. When you look at her. You must see how much of Christ have you became.

If you delegate tasks, you create team players but if you delegate authority, you create team-playing leaders.

Originality is combining available resources to create your own supposedly "New" thing. New things are a result of a combination of old things.

Team selection is always a deciding factor in attaining various objectives.

Compatibility enhances tremendous creativity, productivity and satisfying returns.

I don't believe that any leader has the singular capacity to lead people. A leader is plural first to God

Almighty then to his/her people.
Singularity in a leader is great
foolishness and misdirection.

Vision is ending the day you start,
finishing the day you begin and
arriving the day you leave.

Beware of the wickedness of the
elders! Eli didn't infer with God's
call on Samuel's life. He could have
presided to be the voice that
called Samuel but he chose not to.

The mess we have of
denominations in the body of
Christ was caused by the
foolishness of our elders. They
presided over callings, gifts and
punished whoever stubbornly
followed through their call and
gifts. Even the ones that
stubbornly followed through their
calls and gifts are becoming
exactly like the elders that
oppressed them. Your religious
leaders are not makers of disciples

but of members - they are tyrants that refuse to repent. Africa could have long time had a lasting move of God Almighty everywhere but elders hindered its manifestation. This unfortunately will be held upon them and they will die prematurely.

In occultic leadership, you push sabotage propaganda to cover up sacrifice. This too isn't a new strategy. The occult moves in all leadership aren't a new thing. It is the techniques that interchange to make sure that the job is clean.

I was raised by an enabling and cultivating father. I automatically relate to men who have the same spirit and reject those who don't have the same spirit.

Difficult and poor leadership are clear signs of dying households and organizations. Unfortunately,

many more are going to die.

If you are a good leader, you will never be worried about succession because you know the quality of leaders you have produced around you. Only bad and difficult leaders suffer the rod of succession and failed legacies.

Vision requires leadership. Be it a household, a business or church; leadership is a prerequisite to great success and succession.

When leadership fails,
everything fails.

False leaders are in it to make a living, to enjoy the perks, to feed their stomachs and families not to really serve the people. They are familiar with leadership jargon but not with true leadership.

A life of sacrifice is one of a

servants. Both heavenly and
earthly significance require
service. Service is a life lived
beyond yourself that streams from
conviction to God Almighty.

Narrow it is!

As a child my father treated me like a
prince, as a teenager, like an
employee and as a young adult,
like a friend. This was to teach me
three things: Leading people,
productivity then profits and
confidence in companionship.
